Please join Bill Freund in celebrating the launch of ‘The Making of contemporary Africa: The Development of African Society Since 1800’ - 3rd Edition. The book has been a landmark in the radical history and political economy of Africa since its 1984 publication. This substantially revised third edition will ensure that it remains so for many more years, as it stretches its coverage to the present, and brilliantly revisits the debates to which this seminal text has contributed. The event will be followed by a reception in the Staff Common Room.

Speaker: Bill Freund (University of KwaZulu-Natal)
Chair: Dr Matteo Rizzo (SOAS)
