

Mo Ibrahim Foundation PhD Scholarships Reference Form

Notes to the Referee

The person sending you this form has applied for a Mo Ibrahim Foundation PhD Scholarship and has given your name for reference.

Candidates for the scholarships must intend to undertake research that directly addresses or is applicable to the issue of Governance in Africa.

Please complete the Referee Report (printed, signed and scanned) and return it to Ms Angelica Baschiera via email ab17@soas.ac.uk.

DEADLINE: Complete scholarship applications, including references, must be received by 31st March of each year.

Only complete applications will be accepted. Incomplete applications will not be considered for a scholarship.

Please answer the following questions in a word processing programme. Please read the Notes to the Referee before completing this reference.

Quality of Work

- Please provide a realistic assessment of the candidate's abilities, based on the quality of his/her academic and/or professional performance to date.
Please provide evidence to support your comments.
- Please indicate how this candidate compares with other students, in your experience and the degree level, approximate numbers and period involved in your assessment.

Previous Degree Performance

Please comment on the candidate's previous degree performance. If the candidate's degree results are not available at the time you are providing this reference, please provide an indication of the final results you would expect this candidate to obtain.

Potential for Post-graduate Study

Please give your opinion on this candidate's academic and personal suitability for the SOAS PhD programme and his/her potential to complete the programme. You may mention any relevant intellectual and practical skills and abilities the candidate possesses.
