AGREED GUIDELINES

1. Raising public awareness of protocol, maintaining awareness and providing continuing education to judiciary and practitioners involved in family-child cases.
2. Securing access to justice to 'left behind' parents including knowledge of their rights and the opportunity to assert them.
3. To that end, instituting a system whereby the Judge in each Province of Pakistan is tasked with over-seeing the formation of a Committee to provide legal assistance to such parents.
4. Recognition of the importance of mediation within the extended family.
5. Recognition of the importance of liaison between Pakistan and the United Kingdom and, in particular, the importance of using the liaison Judges who need to know about all relevant cases which are pending or determined. The role of liaison Judge is to exchange orders by the Courts of respective countries in relation to the cases covered by the protocol for information. In case of breach of any such orders, further information is to be exchanged about those cases for appropriate steps to be taken by them in their respective functions. This role of the liaison Judge shall be given proper publicity.
6. Recognition of the importance of retaining judicial links between Pakistan and the United Kingdom, suggesting that Judges of both the countries should meet from time to time to discuss the working/implementation of the protocol, possibly through at least two Judges from each country meeting every two years. Also keeping in regular contact using, if appropriate, video link.

7. Recognition of the need to address the problems that arise upon re-location after the return of a child to the country of his habitual residence. In particular, recognition of the need to afford respect to any undertakings given to the Judge who ordered return or retention of a child.
