

BA Middle Eastern Studies & (Year Abroad) [...]

Over the course of a four-year degree, students must complete 480 credits. 120 of those will be taken in the Year Abroad. The remaining 360 credits taken at SOAS can be split evenly between both subjects (180/180), or be varied between the two subjects if the programme structure gives scope for this. Overall, students must have at least 240 credits in one subject (with a maximum of 330 credits being possible) and 150 credits in the other subject (with a maximum of 240 credits being possible) in order to be awarded a two-subject degree. The subject in which the higher amount of credits has been passed will be named first on the final degree awarded.
