<b>General statement on contact hours – postgraduate programmes</b>
<p>Masters programmes (with the exception of two-year full-time MAs) consist of 180 credits, made up of taught modules of 30 or 15 credits, taught over 10 or 20 weeks, and a dissertation of 60 credits. The programme structure shows which modules are compulsory and which optional.</p> <p>As a rough guide, 1 credit equals approximately 10 hours of work. Most of this will be independent study (see <a href="https://www.soas.ac.uk/admissions/ug/teaching/">https://www.soas.ac.uk/admissions/ug/teaching/</a>) such as reading and research, preparing coursework, revising for examinations and so on. Also included is class time, for example lectures, seminars and other classes. Some subjects may have more class time than others – a typical example of this are language acquisition modules.</p> <p>At SOAS, most postgraduate modules have a one-hour lecture and a one-hour seminar every week, but this does vary.</p> <p>More information can be found on individual module pages.</p>
