# Notes on Completion of the Application Form

## *Postgraduate Diploma in Asian Art*

SOAS University of London, Thornhaugh Street,  
Russell Square, London WC1H 0XG

Thank you for your interest in postgraduate study at SOAS. Please read these notes carefully before completing your application form. For the most up-to-date information on the Postgraduate Diploma in Asian Art, please visit [www.soas.ac.uk/art/programmes/dipasart](http://www.soas.ac.uk/art/programmes/dipasart)

### **Degree Certificates & Transcripts (Section D)**

Please include your degree certificates in your application. Documents must be in English. If it is necessary for documents to be translated, please send a copy of the original document and a certified translation.

If your application is based on degree level studies and/or qualifications from outside the United Kingdom you must also obtain a transcript, and submit it with your application form. A transcript is a detailed marksheet which confirms the award of your qualification and also lists all the subjects studied and grades obtained. If you have not completed your degree programme at the time of applying, you should send a transcript of your marks so far.

Please DO NOT send original certificates or diplomas but certified (stamped) copies of transcripts or degree certificates. Photocopies of certified documents are also acceptable.

If your academic study was several years ago and degree certificates or transcripts of degree certificates cannot be obtained, your application can still be considered. However, please inform the Diploma Manager why your degree/certificate is not submitted with the application.

### **References (Section E)**

You should give the names and addresses of your referees on your application form for record purposes.

All applicants are required to submit up to two references. The referees must be people who are familiar with your academic and/or professional work. We would expect one reference from your current, or most recent, place of study and one from your current, or most recent, workplace.

If your most recent academic study was more than five years ago, and you feel other experience is more relevant, work-related references only will be acceptable.

Referees should provide an opinion on the applicant's suitability for the programme of study. References must be in English. If it is necessary for references to be translated, please send a copy of the original and also a translation.

References can be submitted directly by email to:

[asianart@soas.ac.uk](mailto:asianart@soas.ac.uk)

Under the Data Protection Act, applicants have the right to see references supplied as part of their application.

### **English Language (Section F)**

Applicants whose first language is not English will be asked to provide evidence of their proficiency in English language if they are offered a place at SOAS. It will assist the processing of your application, if you can enclose this evidence in your application form. However, consideration of applications will not be held back if evidence is not available at this initial stage.

If you are able to supply evidence, it should be in the form of an IELTS score. The test should be taken within the year preceding the proposed date of your admission. For entry in the academic year 2022/23, this means providing results for a test dated from 1st October 2021 onwards.

You should send an original copy or certified photocopy of your IELTS results.

For up-to-date information on the specific IELTS scores required to be admitted to the Diploma in Asian Art, please see [www.soas.ac.uk/art](http://www.soas.ac.uk/art)
