**NOTES:**

Module selection is an **online process** in which students will select their module themselves from 1 July (for September starters) or 1 November (for January starters). These selections can change within the first week of teaching to allow for flexibility in students finding the correct level and making the most out of their time at SOAS.

If your institution requires students to pre-select their modules, please find information about the module options available to Study Abroad/Exchange students here: [www.soas.ac.uk/studyabroad/courses](http://www.soas.ac.uk/studyabroad/courses). Please be advised that all modules are subject to availability and may change from term to term.

If your student is attending as a fee paying Study Abroad student and the home institution/Study Abroad provider will be invoiced, a Financial Sponsor Letter will be requested before the start of term. Please note that if your student falls significantly below our GPA requirement, we will require additional information to support their application.

**HOME INSTITUTION'S STUDY ABROAD OFFICE DECLARATION:**

I confirm that I am recommending this student/applicant to participate in the SOAS Study Abroad/Exchange Programme.
